PRF™ COURSE

Platelet Rich Fibrin intensive course

2 DAYS PROGRAM

by Dr. J. Choukroun

PROGRAM

Day 1 / Friday 7 February 2025

Introduction into Phlebotomy

| | |
|---------------|------------------------------|
| 13.30 - 14.00 | Welcome & Registration |
| 14.00 - 15.30 | Biological Basis & Technique |
| 15.30 - 16.00 | Coffee Break |
| 16.15 - 17.30 | Hands on Training Session |

In order to maximize the potential of PRF, you need to be competent and able to draw blood from your patient. There will be an introductory course in taking blood, including a hands-on session.
